### [DHL-Blue Dart bring smart truck to Bangalore](#) (83 Views)

[New Kerala](#) - Wed Aug 10, 2011

Bangalore, Aug 10: This high tech metropolis adds another feather to its cap with logistics major DHL and its sister concern Blue Dart bringing Smart Truck technology to the city for the first time in Asia Pacific region. Bangalore would be the second spot after Germany where DHL-Blue Dart will bring pilot Smart truck technology, an intelligent pick up and delivery vehicle that combined a number of innovative technologies including a route planner. Germany was the first one to introduce the technology three years ago as part of DHL's initiative to go green and reduce the carbon footprint.
